

Our products are warranted against any manufacturing defect starting from the date of purchase by the consumer as shown on the purchaser's receipt. This warranty is limited to the original consumer purchaser and is applicable for the product only. Labor charges, traveling expenses, installation/uninstallation fees, as well as carrier fees are not covered. During the warranty period, the manufacturer will, at its discretion, replace or repair free of charge the product proven to be defective, excluding the above mentioned fees, so long as the installation is compliant. This warranty does not cover stains caused by different types of water such as ferrous or alkaline water. This warranty does not cover damages caused by abusive usage, neglect, misuse, as well as breakage resulting from shocks, improper handling, modifications made to the product, usage of abrasive or chemical products. If this was the case, this warranty would be void without any other recourse. **This warranty is only applicable if the installation instructions were followed and the installation is compliant with the instructions provided in this manual.** This warranty is limited to the choice of the manufacturer regarding the replacement or repair. Technoform Industries Ltd is not liable for any incidental or consequential damages resulting from the use of its products or their installations.
